

HASTY TRIAL IS NEARING THE END

Case of Alleged Chicken Thief Will be in Hands of Jury by Four O'clock Today

FIRST OF 4 TO BE TRIED

Defense Finishes This Morning And State Offers Short Rebuttal Before Arguments

John Hasty's fate will be in the hands of the jury this afternoon, between 3:30 and 4 o'clock, as the trial neared a close today. He is charged in a grand jury indictment of conspiracy and with grand larceny.

The case ends the first step in the trial of four members of an alleged gang of chicken thieves, that operated in northern Rush county last spring and summer, and the state was relying on the evidence of Claude Johnson, one of their alleged members and a defendant, who made a confession of the operations of the men.

Other defendants are two sons of Mr. Hasty, who are Fred and Walter Hasty, and who will be tried later.

The defense finished with their testimony this morning and the state offered a short rebuttal. Each side was allowed two hours for the arguments.

The defendant, John Hasty, testified in his own behalf, and firmly denied each and every allegation charged in the two counts of the indictment.

The state finished up with their portion of the evidence about the middle of the afternoon Friday, and then the defense took their fling, and made good progress, with their star witness being John Hasty, the defendant.

Those who preceded the defendant were several persons who testified concerning his reputation, prior to the rounding up of the alleged gang, and all witnesses examined in this manner stated that the defendant had a good reputation up until several months ago.

Most of the witnesses on cross examination by the state admitted that they had heard several months prior to his arrest in August, that he was suspected of stealing chickens, had also stolen pigs, sold clover seed instead of planting it, and a few other things.

Mrs. Fanny D. Clevidence of Carthage, sister-in-law of the defendant on trial, was a witness and stated that Mr. Hasty raised many chickens, and that she had sold him eggs for that purpose.

The defendant took the stand in self defense, and stated that he was past 54 years of age, and all of his life excepting four years, had been spent in this county, and that he was a farmer by occupation.

He said he is now employed by W. A. Alexander, northwest of here, and had been working there since his release from jail on bond, about four months ago.

His attorneys questioned him concerning a former fine that he paid this summer, on May 19, when he was arrested on a charge of shooting squirrels out of season, and he said that he shot the squirrels for Jesse Leasure, owner of the farm, and that it was the only time in his life that he had been arrested, up to that time.

His fine, he said, was paid half by himself, and half by Mr. Leasure. The state had previously dwelt with character witnesses regarding his reputation, and pointed out that he had been arrested on a game law violation charge.

The state had charged that on August 11, the alleged gang had stolen chickens from Mrs. Minnie Ruby, and had made two trips in one night to obtain their loot. Mr. Hasty on the stand stated that on that night he remained home, and was not at Carthage, as indicated in the testimony of Johnson, the defendant who turned state's witness.

Mr. Hasty, at this period of the trial was asked to state whether or not at any time he ever conspired with or among Fred Hasty, Walter or Claude Johnson for the purpose of stealing, and he firmly denied that he had done so, and he also denied that he had ever stolen a chicken in his life.

On the night of August 18, the night when the alleged theft was made at the Russell Reddick hen

XMAS SHOPPERS THROG STREETS

Today Was "Christmas Saturday" in Stores—And Stores and Clerks Both Show It

ATTRACTIVE SHOW WINDOWS

Generally There Was That Holiday Air, The Thustle-And-Bustle Something About Everyone

The Christmas rush is on—from now until Christmas stops it.

The holiday "fever" has gripped the whole of the city and today, in the downtown, the first real sign that Christmas is near came in the form of immense throngs moving in all streets, in all stores, standing at the windows, pushing and tugging to get a glimpse of some nice little thing or that, and totting numerous packages.

Today was "Christmas Saturday" in the stores—and the stores and clerks will both show it by evening. Thousands and thousands of persons, some of whom had failed to heed the "shop early" warning, others just there to look and still others for no reason at all, vied with each other to get somewhere or nowhere, as the case might have been.

Christmas show windows, attractive to even those who have no interest in Christmas or any other holiday, blazed forth in their splendor, and traffic cops appeared to be needed to straighten out the many tangles and jams that occurred on the sidewalks.

There was the window where a collection of toys had been placed—the window that seemed to shout out: "They shall not pass" when the kiddies came near. And they didn't pass, either. Incidentally, it was the kiddies who bore the brunt of the attacking crowd but it was the mothers who bore the brunt of the attacking kiddies.

Generally, there was that holiday air, the thustle-and-bustle something about every person that told all too plainly that Christmas is almost here.

Monday, too, will see downtown streets jammed, but today was "Christmas Saturday," the day that brought more closely to the fact that the season of giving is near and the Christmas spirit was in the air.

GEORGE W. SKIPTON DIES IN THE WEST

Former Master Mechanic At I. & C. Car Barns Expires at Son's Home in San Francisco

LEFT RUSHVILLE LAST MAY

George W. Skipton, about sixty-five years of age, a former resident of this city died at the home of his son George in San Francisco, California Friday morning at 10:35 o'clock, according to a message received here Friday evening. Mr. Skipton had been suffering from anemia for the past twelve weeks and it is presumed that caused his death, although he had also been afflicted with a weak heart.

Mr. and Mrs. Skipton left here last May for San Francisco to live with their son after Mr. Skipton resigned as master mechanic at the Indianapolis and Cincinnati Traction company's car barns, a position he had held since the interurban line started. His resignation terminated connections that had continued uninterrupted for almost twenty years.

Russell Skipton, another son, who lives in Indianapolis, left Thursday for San Francisco after receiving word that his father was in serious condition.

The widow and two sons are the only survivors. No word has been received here regarding the funeral arrangements.

CONDITION OF STATE ROADS

REAL PEACE:—Wisdom's ways are ways of pleasantness, and all her paths are peace.—Proverbs 3: 17.

A Time For Being Happy

Christmas is a time for being happy.

The majority of the people of Rush county ought to achieve that state. They have plenty of causes for rejoicing. The chronic complainer may find many things not to his taste, but this is no season for turning the black side out.

Let us turn our thoughts rather to "Peace on earth to me of good will."

There is a wealth of food for thinking in that. In other words, peace on earth does not come to men who are not of good will.

Men who are seeking evil will find evil. They must look for good, else they will never see it. They have to be friendly, or they will never have friends.

Good will for others means storing up good will for yourself. That is selfish, perhaps, but happiness is a form of selfishness. He who would be happy is thinking first of his own contentment.

But the fine thing about happiness and contentment is that it is contagious. Others feel its effects and they in turn, becoming happy, spread it along the path of life.

Christmas is a time of all times for spreading happiness. There is so much of poverty and misery and disease in the world—even in our own community—that none should let such a chance as this go by.

Let there be nowhere a suffering man, woman or child, poor or in distress, in home, hotel or hospital, in health or sickness, to whom no word of Christmas cheer or Christmas thought has been brought.

Christmas touches the deepest chord of human sympathy; hearts are mellow; thoughts are tender. He who does not make the most of it is a derelict.

A Word of Caution

There has never been a serious accident or fire in Rush county during the holiday season that could be traced to the Christmas tree.

Yet a word of caution is not amiss. Christmas and its joys should not

be allowed to blind men to its dangers.

Parents that ordinarily are most solicitous for the welfare of their loved ones, place in the center of their homes, where it is certain to be the center of attraction for children, the most inflammable thing that ever enters it—the ordinary evergreen Christmas tree.

While it dries in the warm rooms, they festoon it with tissue paper, cotton to represent snow and ornaments of tinsel, and then fasten on it lighted candles or electric light bulbs thus setting the stage for a hazard that is as great as an open keg of gunpowder.

This is done in every home with children. Because there has never been any catastrophe is no assurance there never will be. Precaution should be the guide of every parent that has such a condition in their home.

Electric bulbs are not so dangerous as lighted candles. Asbestos can be used in place of cotton or imitation snow. Non-combustible decorations are available. Being safe is far better than being sorry.

THE CHRISTMAS SEAL

BY WALTER GREENOUGH

Ho, Little Seal, with your message of hope,
Flung to a world as a life-saver's rope,
Seek you the palace and seek you the shed—
Soft little pillow for Suffering's head!
Ho, Little Seal, with your message of cheer,
Building up courage and casting out fear,
Shed you God's sunlight in castle and cave—
Bright little beacon of lives that you save!
Ho, Little Seal, with your message to men,
Lifting them back to life's highroad again,
Keep you the air of God's heaven above
Flowing in gently to heal them we love!

It is a little short of miraculous that Mrs. Walter Newsum of Carthage was not killed in a runaway accident this morning. She sustained injuries of a most painful and serious nature, but fortunately they will not prove fatal. Mrs. Newsum was enroute from her home to visit her father, George Ewing of Farmers, when the fractious horse she was driving began to kick. On account of having a storm front on the buggy she was unable to handle the animal and in another minute she lost control of the lines and the horse dashed down the road at breakneck speed. The plucky woman held on the lines and was literally jerked through the glass of the storm front and dragged for over a half mile. She suffered severe bruises but no broken bones.

Castles in the Air

A Rushville public schools teacher gave her pupils a chance to build a few castles in the air the other day. She told them to write a letter to Santa Claus (they were big enough to know better) and tell him what they would like to have.

One boy was not a bit modest about his wants, for here's how he listed his desires:

A summer home in the Adirondacks, a winter home in Palm Beach, Florida; a Packard sedan; a gold and platinum watch set with diamonds and his initials on the back; nothing to do but play, and a few other things that Santa Claus never did intend small boys should have.

The First Railroad Agent

The other day Ben Caldwell, who has been preparing to make some repairs on the roof of the court house clock tower, came into the county auditor's office and asked the commissioners to come in the tower and take a look at the roof. It didn't sound good to any of them and they invited Phil Wilk, the county auditor to go up.

"But why should Phil go up?" someone asked.

"Because he was one of the contractors who built the court house," was the reply, and it was discovered that few knew that he had a hand in the construction of the building, about thirty years ago.

Mr. Wilk was asked how he happened to come to Rushville and the fact was developed that Mr. Wilk was the first railroad agent here. He happened to be working, as book-keeper, for the man who had the contract to build the old V. G. R. & I. railroad (now the Big Four) and when it was completed, they began looking around for an agent and Mr. Wilk filled the bill. He had previously been a telegrapher and was qualified for the job.

The first railway station in Rushville was a box car, until a more suitable structure could be completed. Incidentally, Mr. Wilk counted all of the ties that were put in the first railroad, as a part of his duties as book keeper for the contractor.

That was one of the reasons Mr. Wilk happened to become a highway contractor, from which business he retired a few years ago.

"WORSE THAN PAIN"

Louisiana Lady Says She Has "Never Found Anything Better Than Cardui for a Run-Down Condition."

Morgan City, La.—"It would be hard for me to tell how much benefit I have derived from the use of Cardui," said Mrs. I. G. Bowman, of 1319 Front Street, this city.

"I was so run-down in health I could hardly go. I was thin. I had no appetite. Could not rest or sleep well. I was so weak, and so very nervous, I was no pleasure to myself.

"I suffered some pain, but the worst of my trouble was from being so weak and easy to get tired and out of heart.

"This nervous condition was worse than pain.

"Some one told me of Cardui, and I decided to use it.

"After using a few bottles, I regained my strength. I wasn't so nervous, and began to eat and sleep, and grew stronger and was soon well.

"I have never found anything better for a run-down condition."

If you suffer as this Louisiana lady did, you, too, should find Cardui helpful for your troubles.

Safety Sam's Sermonette

What old-timer woulda thought that th' time 'd ever come when automobiles, worth anywhere from th' quoted price o' junk t' thousand's o' dollars, would be parked so thick along every curb in every city, town an' hamlet in th' U. S. A. that they couldn't be stepped b'tween?—Or that th' American people 'd be so flush that they couldn't find a Chris'mas present anywhere near suitable for less'n \$98.98?

Oh, well things have gotta change, I s'pose. But I don't know as we're much better off, after all. In th' old days every town had its horrible example in th' person o' th' town drunkard, but now days every town has got any number o' horrible examples in th' persons o' drivers who don't seem t' have a bit more shame on account o' their reckless chance-takin' than th' town drunkard used t' have on account o' his drinkin'. We used t' have less'n a half mile o' street paved with cobblestones an' right proudly did we drive our surreys over it! Now we've got miles on miles o' pavement, but th' space on it is so full o' Hank's quantity production that we can't park within ten miles o' town, an' we're lucky if we're able t' find room enough t' drive.

Considerable peace an' quietude used t' exist at Christmas time, at least after everybody had carried home their packages o' wet an' dry goods. We could carry home a lot bigger package for th' money than we can now. An' th' wet ones was a lot safer t' carry. B'tween th' birds who take a chance on poison liquor an' th' boobs who take a chance every time they meet up with a street car track or steam road crossin', th' Yuletide has been changed from a season o' food an' cheer t' a season a' blood an' fear!

LIONS TRIUMPH IN LOCAL ARENA

Rushville More Than Doubles Score
in Return Game With Milroy
Here Friday Night

MILROY GIRLS IN VICTORY

Locals Wear Down Visitors in Last
Half After Finishing 8 Points to
Good First Round

The Rushville high school triumphed over Milroy here Friday night, and more than doubled the score on the visiting team, leaving them trailing behind when the game ended 48 to 23.

In the curtain raiser the Milroy girls outplayed the Rushville girls, 14 to 8.

The Lions were in good form and fought hard, wearing down the visitors in the last half, who were unable to withstand the attack, although they never gave up fighting, and were game losers. The first half saw Rushville in front 21 to 13, which was the reverse of the score between the teams a few weeks ago, when Milroy was leading 18 to 7 at the end of the first period.

In the last half several substitutions were made by the Lions, and all ten players were given a chance. In the last five minutes the substitutes started a rally that added five field goals.

Milroy scored first when Kinnett scored from the field and when McCorkle fouled Comella, the Rushville player made good one of the two chances. Readmond tossed in a foul committed by Snoddy that gave Milroy 3 and Rushville 1. Snoddy soon evened the score with a goal from under the basket.

Kinnett missed a chance to score on Walker's foul, and soon Hilligoss grabbed a goal from under the basket, putting Rushville in front 5 to 3. Selby got injured, and Milroy called time. Milroy came back and tied the score at 5 when Readmond scored.

Seright missed a foul committed by McNamara. Readmond broke the tie for Milroy, by landing a goal through the net from the center, but McNamara soon tied it again at seven points.

Milroy was off on foul shots, and at this turn missed four opportunities, with Selby missing twice on Walker's foul and Kinnett missed a couple on McNamara's foul. Soon Snoddy fouled and Readmond made another point, making the score 8 to 7. Snoddy fouled again for his third personal, and Readmond missed the chance.

Rushville went into the lead 9 to 8 when Hilligoss scored, and he soon repeated, making the count 11 to 8 in favor of the Lions. Seright for Milroy caged two goals in quick succession that again put his team in front 12 to 11, and the game was on the verge of being a see-saw affair.

Newbold had replaced Walker at center for Rushville, and he located the basket for two points, that made the Lions one point ahead, 13 to 12. Anderson missed a chance to even it up on Newbold's foul, and then Hilligoss missed a couple of fouls on Anderson.

Hilligoss made the score 15 to 12 on a goal, and soon a double foul was called on McNamara and Readmond, and the Milroy player made his point count, giving the visitors 13, and before the half ended McNamara scored, followed by Hilligoss and another one by McNamara, that boosted the score to 21, and with Milroy trailing at 13.

A few minutes before the half ended, Snoddy fouled on his fourth personal, and went out of the game, after having played in good style. Milroy missed the chance to score.

The Lions in the last half started out fast, but Kinnett dropped in the first for the visitors, but when Walker and Hilligoss scored in rapid time for the Lions, the count was shoved up to 25 to 15. Goals by Hilligoss, and a long one by Comella had the score to 29, with Milroy at 15. Kinnett scored on Comella's foul for 16 points and Kinnett missed on Walker's foul, but Seright scored for the visitors on a field goal, making the score 29 to 18.

Comella scored two more field goals for the Lions, one from the side, and the other he dribbled through for under the basket, boosting the score to 33 to 18.

McNamara and Walker scored next on goals, and then each team threw in a foul, making the score 38 to 19. Kinnett grabbed the ball under the basket for two points, and Walker missed on McCorkle's foul.

HITTIN' 'EM —AND— MISSIN' 'EM

Now that Milroy is off our mind we will take a two weeks rest—that is, the team will take the rest.

The Lions played good ball, but are capable of doing better. Milroy has a scrappy team, but their defense was hopeless.

Hilligoss and Comella can usually be depended upon in any game that they play, and Hittin' 'em wouldn't swap these two players for any three in the county.

The Lions have some understudies in Lakin, Warth, and Miller, which should be developed, as evidenced by the showing made last night. We wouldn't be afraid to venture that these players will get to play, most of the game against Knightstown, in order to save the regulars for the Columbus game on the night following.

That next game will be January 4, and then Columbus January 5.

Speaking of Columbus, Bedford sure handed them a walloping last night, 49 to 20, and we sorta got an idea that the Lions will turn the trick here.

Arlington swamped Center last night, 54 to 14, and Jimmie's team will next tackle Milroy at Arlington January 4.

Down at New Salem, Orange was their victim last night 23 to 14.

New Salem has a girl's team, all decked out in new green jerseys, and just for spite they put the skids under the Orange girls 40 to 14. We don't believe that the Lioness' would have any business playing those New Salem girls.

The Lioness' couldn't stand the pace with the Milroy girls last night.

Rushville substituted with Lakin, Warth, and Miller taking places of Newbold, Walker and McNamara. Lakin made the score read 40 on a goal and Warth, Lakin and Warth scored in rapid succession for goals, that made the count 46 to 21. Selby for the visitors scored a ringer, making the score 23 for them, and Miller for the locals, made the last goal, that finished the game 48 to 23.

The game ended a 40 minute period of fast playing, and two officials had their hands full in following the ball. Milroy has a good working combination, but they were not tight on their defense. The Rushville team showed considerable improvement over the game of several weeks ago, and their strength was probably underestimated by the visiting team.

The line-up and summary:
Snoddy F Kinnett
Hilligoss F Seright
Walker C Selby
McNamara G Readmond
Comella G McCorkle
Substitutions, Milroy, Root, Anderson, Rushville, Miller, Warth, Lakin, Newbold, Sherman. Field goals, Snoddy, Miller, Hilligoss 7, Warth 2, Walker 2, Newbold, Lakin, 2, McNamara 4, Comella 3, Kinnett 3, Seright 3, Selby 2, Readmond. Foul goals, McNamara, Comella, Kinnett, Seright, Readmond 3. Referee Morrison, umpire Gill.

Two Curtain Raisers

Two preliminaries were on the schedule last night. The first game being played by the Christian church team and the Methodist team, and which ended in a 16 to 14 victory for the Christian church.

The Milroy girls outclassed the Rushville girls, 14 to 8, although the two teams were evenly matched in the first half, 6 to 5 in favor of Milroy.

The teams line-up as follows:
M. H. S. Girls 14 R. H. S. Girls 8
Houglund F Moore
Downs F Burns
Root C Hunt
Booth G Sumpter
Whitinger G McKinnis
Substitutions, Kitchen for Houglund, Houglund for Root, Price for Burns. Field goals, Houglund 2, Downs 2, Kitchen, Moore 2, Foul goals, Houglund 2, Downs, Kitchen, Moore 2, Burns.

and those Red Soxers from Anderson township were too much.

Kinnett and Selby are a fast pair on the Milroy team, and with McCorkle at back guard they have a good foundation for a winning team before the season ends, and they will make someone take notice about tourney time.

The Cows got back in the winning column last night, by defeating Morristown 27 to 19. Moscow will bear watching.

Gee, Shelbyville sure knocked the Ft. Wayne team for a big score, when they landed all over them last night on the floor in the northern part of the state.

The Sir Walters didn't have much trouble in putting down the Wayne county team from Cambridge City, 29 to 20. It was the second victory this season for Raleigh over the Cambridge tossers.

Baker, forward on Em Headlee's Manilla team, was the tower of strength last night, against Carthage, and made 15 points for his team, and Manilla won, 32 to 23.

The other night Seales from Raleigh, the coach of the Sir Walters, established a record in the independent game between the Coaches and Fairview, when he threw 16 straight fouls, and missed his last two chances out of the 18.

The Ikknis won a top heavy victory over Liberty last night, but no one ever disputed but what they would do so.

NO BUYERS NOW

Vincennes stock took another tumble last night when their market was cornered by Martinsville, 44 to 30. Better sell out Georgie.

That wooden horse that the Trojans were going to push in on Muncie last night, must have had greased wheels, and forgot to stop. Muncie walloped Newcastle, 38 to 22.

Night on Their Own Floor And
Fall Back

CASUALTIES ARE 32 TO 23

Manilla took Carthage by storm Friday night at Carthage, when the Green and White aggregation of Em Headlee's scored a 32 to 23 victory over the Blue Birds, in a fast game featured by the work of Baker, Manilla's forward, who couldn't be stopped.

This forward caged 7 field goals and a foul, or 15 points for his team. Manilla started off fast, and at no time were they in danger, and the first half ended 21 to 13.

Manilla gained a strong margin of 16 to 7, before the home team could sight the basket, and Carthage used many substitutes throughout the game in an effort to check the advance of the visitors. Heim, a sub, showed well for the Blue Birds. Manilla made good on many long shots.

In the curtain raiser the Manilla second team won from the Carthage seconds in a close game, 7 to 6.

TURN IN DOUBLE VICTORY

Both New Salem Teams on Long End
of Scores Friday Night

New Salem high school checked up a double victory over Orange Friday night, at Orange, when the boys won their game 23 to 14, and the girls from Salem won their game 40 to 14.

The New Salem teams could not be headed, or stopped and they played through for goal after goal.

The girls game was a good exhibition of basket shooting for the winners, as they landed the ball through the net from all angles, and it seemed as if they could not miss the basket.

Baseball Had Good Money Year

By HENRY L. FARRELL
(United Press Sports Editor)

New York, Dec. 22—Arrival of the predicted and patiently awaited "million dollar" world's series was, without doubt, the big event of 1923 in baseball.

Records for attendance and receipts at the post-season battles between the major league pennant winners were made possible by the opening of the two-million dollar Yankee stadium, another event of record for the year.

With a capacity of 70,000 and a plan of construction which will permit its extension so that it will accommodate 100,000 when the need requires, the Yankee Stadium is the finest baseball structure in the world.

Another victory by the New York Giants and the Yankees in the pennant races and their subsequent participation in the world's series removed novel features for the season although the two teams made a new record by staging the series between themselves for the third successive time.

Considering that the Giants were almost unanimously picked to beat the Yankees in the series, the feat of the American League champions in winning the world's championship might have been a surprise. The success of the Yankees also made a new record in that it was the first time that the world's championship had been won by a New York American League team.

Many new minor records were made on the playing field during the minor and major league seasons, but

WILL NOT HOLD 'LOVE FEAST'

Democrats Decide To Do Away With
Jackson Day Dinner

By LAWRENCE MARTIN
(U. P. Staff Correspondent)

Washington, Dec. 22—The meeting of democracy's leaders here in January will not be preceded by the usual democratic "love feast"—the Jackson day dinner.

The dinner has been given up this year largely because the idea of holding the usual "get-together" good will banquet seems to make no appeal to democrats. There was no enthusiasm for it and a good many arguments were advanced against it, hence it was abandoned.

HASTY TRIAL IS NEARING THE END

Continued From Page One
roost, and which brought about the arrest of the four men, the defendant attempted to establish an alibi, and said that he was in Knightstown on that night.

He told about taking his family to Carthage first, and that Johnson, Walter and Fred Hasty got into the machine and drove to Knightstown. Johnson previously testified for the state that the quartet motored to the Reddie farm and stole 44 chickens.

Hasty stated that on this night they arrived in Knightstown at 7:10 o'clock, and remained until twenty-five minutes until 10 o'clock. He said that he spent his time in a pool room, and he named over the persons whom he knew and saw that night, in order to establish his alibi.

He mentioned Clyde Moffitt, Cliff Addison, Charley Collins and Dora Brown. Addison, he said, has moved from Knightstown and could not be located as a witness, he said. Collins was sick at home, he said, and could not testify. Another witness, whom he mentioned he saw that night, had been subpoenaed, but had failed to show up.

Hasty said that they left Knightstown and arrived in Carthage a few minutes later that night, when they left each other and got with their families, and that he returned to his home, and was ready for bed at twenty minutes until 11 that night.

He next stated that a search of his premises was made on the following

morning, and that the men were looking for chickens. The persons failed to find any white chickens that were marked with a hole punched in the web of their feet, he said, but he was arrested and placed in jail here about noon.

Johnson had testified that Hasty had approached him last spring, telling him that he didn't see how he lived and supported his family on \$1.25 a day, and that he knew a way that he could make some easy money, which he said resulted in the chicken stealing business.

Hasty denied this and said that he had approached his son-in-law, when he told him that he was getting ready to buy a second hand automobile on payments, and that he told Johnson that he didn't see how he expected to get by, and keep his family and keep up the payments on \$1.25 a day.

Hasty said that Johnson told him that he didn't expect to and that the

"public was going to help him pay for his automobile."

The defendant also denied that there had ever been a division of money from the sale of chickens, as outlined in the testimony of his daughter, who appeared Thursday against him on the stand and who had said that she had sold chickens that were stolen, and distributed the money.

On cross examination late yesterday the state asked Mr. Hasty about his own automobile that he purchased on payments, and which Hasty said he had made a small payment down, and gave a note for the balance of \$450.

This balance on the note, Hasty admitted, was paid, together with the interest, four days prior to the date that it was due, and that it was all paid in one sum, in June.

When questioned by the state concerning this \$450 and interest, the prosecutor asked how it was that he could save up that sum of money within a few months time, and working for \$1.25 a day.

The defendant replied that his house had burned down and that he received the money from the insurance company for his household goods. He denied that the best of his household goods had been removed to his daughter's home on the day before the fire, and he also denied that the best of the goods were removed before the fire reached them.

NEW SALEM

School here will be dismissed all next week for Christmas vacation. The mid-year examinations will be held the week following the Christmas holidays.

The different classes are reviewing for the examinations. There will be no exemptions.

Most of the teachers are going away Christmas week to spend Christmas with friends or relatives. Harry Wills, a senior, was absent from school Friday on account of the death of his nephew.

Angus Lefforge was absent from school on Monday on account of sickness. On Friday night, December 14, the three New Salem teams succeeded in defeating the three opposing teams. This was the first time all three teams had played the same night. There was a very good crowd here.

The first team played the Center first team and defeated them 24 to 6. This was not a hard game on New Salem's part.

The girl's team played the Center girl's team, defeating them 32 to 10. At the end of the first half the score was 20 to 0 in favor of New Salem. The New Salem girls probably had the best luck hitting goals they have had this year.

The most interesting and most exciting game of the evening was played between the New Salem seconds and the Gings first team 10 to 7.

Last Wednesday night the girl of old N. S. H. S. initiated their new suits when they played Fairview. Their middies of green were well dyed with first blood of the enemy at the end of the game, which is contrary to the jinx that is supposed to exist on new suits.

This was the girls sixth game of the season and incidentally the fourth victory. Vonda Emsweller, Grace Trager and Mary Lois Bever helped to bring down the points for Salem, Alice King and Deloris Miller, our centers, put the needed pep in the game and helped the scoring machine to work smoothly. Even though we had good forwards, the guards were not found wanting and Deris King, Dorothy Scott and Thelma Williams held F. H. S. to a 12 point score, the final score being 30 to 12. If there is a girl's tourney this year we'd say clear the track for New Salem's coming. The girls have their Irish aroused over "The Wearing of the Green," so look out for the "New Salem Shamrocks."

GINGS SCHOOL

(RUTH BILLINGS, Editor)

GINGS VS NEW SALEM
Ging lost a closely contested game to the New Salem Seconds Friday night on the latter's floor. It was the most interesting of a series of three games; Center boys and girls also played Salem. The final score was 10-7. At the half Ging had a lead of 4 points, the score being 6-2. However, we were unable to drop the ball through in the second half from either the field or foul line. Custer was the high point getter for Ging, engaging six of our seven points. Felts and Gordon played a good game at guard, letting the New Salem forwards through for only 4 points. George, New Salem's floor guard, made 5 out of his team's 7 points.

The officers elected were Arthur Cortner, a Junior, for president; Naomi Nash, sophomore, secretary, and Mildred McMillin, freshman, treasurer. The club met Friday and each one presented to the secretary, his Latin name and a motto was chosen. Each answered roll call with a Latin Xmas quotation and the club sang songs and recited verses and held Latin contests.

CENTER SCHOOL

The Christmas program is to be given at the church Friday afternoon. Examinations will be given after the Xmas vacation.

The basketball teams practiced in the Raleigh gym Wednesday after school. The Center teams were defeated by the New Salem teams last Friday night, but they were hoping for better luck in their game with Arlington Dec. 21.

Much interest is being taken in volley ball at the present time.

Pies and candy made by the home economics class have made the members of that class quite popular.

A study of the great trust problems of today is being made by the class in American Problems.

Floyd Kirkham visited school Wednesday.

School closed Friday for a week's vacation.

MANILLA

On account of weather conditions the Farmer's Institute which was held here last Friday and Saturday was rather poorly attended but we are sure the people who did attend were very much pleased with the entire program. The prizes that were put up by the merchants of Manilla were distributed to their customers at the school auditorium Saturday night. They received many valuable presents.

B. D. Farthing, county superintendent, visited school last Wednesday. He attended some of the classes and made several comments to the teachers.

The members of the Junior class of the high school are working on a program that they will present to the school Friday evening.

The alumni of M. I. S. will hold their annual banquet in the school gymnasium Saturday night. They are planning on quite a feed.

Who said we couldn't change Moscow's basketball record. I guess we did. Because of some misunderstandings we were forced to play them on their floor at Blue Ridge. Although they put up a good fight the old green and white bunch had but little trouble in defeating them. We were never headed throughout the game and it ended with our team leading by four points.

CARTHAGE SCHOOL

(BABETTE HENLEY, Editor)

The senior class spent an evening of fun at a party at the home of Marjorie Henley Tuesday night. Musical programs from all over the country were heard from the radio. Light refreshments, in keeping with basketball training rules, were served. The C. H. S. basketball team suffered a nine point defeat from Knightstown last Friday night. They were decidedly off form and the broken nose of Captain Kennedy proved quite a hindrance to his

usual good playing. The half ended 21 to 12 and the final score was 36-27. A crowd of two hundred fifty Carthage fans accompanied the team and appreciated very highly the section that was reserved for them in the K. H. S. gym, it being the first time this season that any high school had extended such a courtesy.

Marjorie Henley resumed the duties of the president of the C. H. S. A. A. Friday when Gilbert Glover, former president, was automatically recalled. At the meeting Malcolm Small, chairman of the auditing committee read the financial standing of the association which showed a balance on hand of \$73.78.

Candy is now on sale at the school building and basketball games by the Junior class, which is successfully filling the great demand for it.

Fern Theobald, a sophomore, in C. H. S. is absent from school with an attack of the mumps.

Miss Ada Chappell, teacher of the first grade, who is suffering from an attack of appendicitis is not expected to return for duty until after the holidays.

Birney D. Farthing, county superintendent, visited the Carthage schools Tuesday afternoon.

Ethelene Weaver entertained the sophomore class with a party at her home Thursday night. Refreshments were served by the hostess and a good time was reported by all in attendance. The Misses Elliott and Hinchshaw chaperoned.

A delightful Christmas party was held at the home of John Parker for the seventh grade on Wednesday night. The evening was spent in games and Christmas gifts were distributed. Miss Fort and Miss Elliott acted as chaperones.

The Commercial Law class spent Thursday at the trial in Rushville. The trip proved very beneficial and extremely interesting. They were quite disappointed to learn that they could not return to see it completed.

A very satisfactory profit was realized from the Christmas Sale held recently by the Junior High art classes at Simm's Store.

A Christmas party for the first six grades will be held Friday afternoon at the Auditorium. A similar one will take place in the old building for the Junior and Senior High Schools. Numbers were drawn recently and each pupil gives and receives a present. A treat will be distributed by the members of the faculty. Each class will assist in the program by giving a stunt.

The grades have been assisting in making decorations for both the community and school Christmas trees. The two domestic science classes are helping by popping and stringing pop corn.

Schools of Carthage were dismissed Friday for the holidays. All pupils are requested to report for duty December 31. The teachers will all spend their vacation elsewhere.

HASTY TRIAL IS NEARING THE END

Case of Alleged Chicken Thief Will
be in Hands of Jury by Four
O'clock Today

FIRST OF 4 TO BE TRIED

Defense Finishes This Morning And
State Offers Short Rebuttal Be-
fore Arguments

John Hasty's fate will be in the
hands of the jury this afternoon, be-
tween 3:30 and 4 o'clock, as the trial
nears a close today. He is charged
in a grand jury indictment of con-
spiracy and with grand larceny.

The case ends the first step in the
trial of four members of an alleged
gang of chicken thieves, that oper-
ated in northern Rush county last
spring and summer, and the state was
relying on the evidence of Claude
Johnson, one of their alleged mem-
bers and a defendant, who made a
confession of the operations of the
men.

Other defendants are two sons
of Mr. Hasty, who are Fred and
Walter Hasty, and who will be tried
later.

The defense finished with their
testimony this morning and the
state offered a short rebuttal. Each
side was allowed two hours for the
arguments.

The defendant, John Hasty, testi-
fied in his own behalf, and firmly de-
nied each and every allegation
charged in the two counts of the in-
dictment.

The state finished up with their
portion of the evidence about the
middle of the afternoon Friday, and
then the defense took their fling, and
made good progress, with their star
witness being John Hasty, the de-
fendant.

Those who preceded the defend-
ant were several persons who testi-
fied concerning his reputation, prior
to the rounding up of the alleged
gang, and all witnesses examined
in this manner stated that the de-
fendant had a good reputation up
until several months ago.

Most of the witnesses on cross
examination by the state admitted
that they had heard several months
prior to his arrest in August, that
he was suspected of stealing chick-
ens, had also stolen pigs, sold clover
seed instead of planting it, and a
few other things.

Mrs. Fanny D. Clevidence of Car-
thage, sister-in-law of the defend-
ant on trial, was a witness and stated
that Mr. Hasty raised many chick-
ens, and that she had sold him eggs
for that purpose.

The defendant took the stand in
self defense, and stated that he was
past 54 years of age, and all of his
life excepting four years, had been
spent in this county, and that he was
a farmer by occupation.

He said he is now employed by W.
A. Alexander, northwest of here, and
had been working there since his
release from jail on bond, about
four months ago.

His attorneys questioned him con-
cerning a former fine that he paid
this summer, on May 19, when he
was arrested on a charge of shooting
squirrels out of season, and he said
that he shot the squirrels for Jesse
Leisure, owner of the farm, and that
it was the only time in his life that
he had been arrested, up to that time.

His fine, he said, was paid half
by himself, and half by Mr. Leisure.
The state had previously dwelt with
character witnesses regarding his
reputation, and pointed out that he
had been arrested on a game law
violation charge.

The state had charged that on
August 11, the alleged gang had
stolen chickens from Mrs. Minnie
Raby, and had made two trips in
one night to obtain their loot.
Mr. Hasty on the stand stated that
on that night he remained home, and
was not at Carthage, as indicated in
the testimony of Johnson, the de-
fendant who turned state's witness.

Mr. Hasty, at this period of the
trial was asked to state whether or
not at any time he ever conspired
with or among Fred Hasty, Walter or
Claude Johnson for the purpose of
stealing, and he firmly denied that he
had done so, and he also denied that
he had ever stolen a chicken in his
life.

On the night of August 18, the
night when the alleged theft was
made at the Russell Reddick hen

CLEVENGER DISMISSES HIGH COURT APPEAL

Means Rushville Man Will Serve
Perjury Case Sentence Concur-
rently With Last One

ANOTHER CASE IN HIGH COURT

Fred Clevenger, convicted here
last week on a charge of transport-
ing liquor, and who is now serving
his sentence of from one to two
years, has dismissed his appeal in
the Supreme court on the perjury
case, of which he was convicted here
last summer, and will serve this two
to 21 year sentence in connection
with the recent conviction.

The prisoner has one other case
before the Supreme court, it being
an appeal of a liquor violation
charge, which carried a penal farm
sentence.

By dismissing his appeal on the
perjury charge, it means that the
prisoner will not have less than 2
years in the Michigan City prison,
with a possibility of 21 years.

Notice of the dismissal of the ap-
peal in the perjury case was filed
yesterday and approved by the Su-
preme court judges.

ed by Judge Sparks.

In the cases filed today, is a divorce
suit by Marie Franklin against Wil-

XMAS SHOPPERS THROUGH STREETS

Today Was "Christmas Saturday" in
Stores—And Stores and Clerks
Both Show It

ATTRACTIVE SHOW WINDOWS

Generally There Was That Holiday
Air, The Thrustle-And-Bustle
Something About Everyone

The Christmas rush is on—on
from now until Christmas stops it.
The holiday "fever" has gripped
the whole of the city and today, in
the down-town, the first real sign
that Christmas is near came in the
form of immense throngs moving in
all streets, in all stores, standing at
the windows, pushing and tugging to
get a glimpse of some nice little thing
or that, and totting numerous pack-
ages.

Today was "Christmas Saturday"
in the stores—and the stores and
clerks will both show it by evening.
Thousands and thousands of per-
sons, some of whom had failed to
heed the "shop early" warning, oth-
ers just there to look and still oth-
ers for no reason at all, vied with
each other to get somewhere or no-
where, as the case might have been.

Christmas show windows, attrac-
tive to even those who have no inter-
est in Christmas or any other holi-
day, blazed forth in their splendor,
and traffic cops appeared to be need-
ed to straighten out the many tan-
gles and jams that occurred on the
sidewalks.

There was the window where a
collection of toys had been placed—
the window that seemed to shout
out: "They shall not pass" when the
kiddies came near. And they didn't
pass, either. Incidentally, it was the
kiddies who bore the brunt of the
attacking crowd but it was the
mothers who bore the brunt of the
attacking kiddies.

Generally, there was that holiday
air, the thrustle-and-bustle something
about every person that told all too
plainly that Christmas is almost
here.

Monday, too, will see downtown
streets jammed, but today was
"Christmas Saturday," the day that
brought more closely to the fact
that the season of giving is near
and the Christmas spirit was in the
air.

GEORGE W. SKIPTON DIES IN THE WEST

Former Master Mechanic At I. & C.
Car Barns Expires at Son's
Home in San Francisco

LEFT RUSHVILLE LAST MAY

George W. Skipton, about sixty-
five years of age, a former resident
of this city died at the home of his
son George in San Francisco, Cali-
fornia Friday morning at 10:35 o'-
clock, according to a message re-
ceived here Friday evening. Mr.
Skipton had been suffering from a
pneumonia for the past twelve weeks and
it is presumed that caused his death,
although he had also been afflicted
with a weak heart.

Mr. and Mrs. Skipton left here
last May for San Francisco to live
with their son after Mr. Skipton re-
signed as master mechanic at the
Indianapolis and Cincinnati Traction
company's car barns, a position he
had held since the interurban line
started. His resignation terminated
connections that had continued un-
interrupted for almost twenty years.
Russell Skipton, another son, who
lives in Indianapolis, left Thursday
for San Francisco after receiving
word that his father was in serious
condition.

The widow and two sons are the
only survivors. No word has been
received here regarding the funeral
arrangements.

CONDITION OF STATE ROADS

Indianapolis, Ind., Dec. 22—High water in White river the last few days forced suspension of the Hazelton ferry, but despite softness of the earth fill at the new bridge on State Road 10, maintenance forces working night and day kept the road open to traffic. John D. Williams announced in the commission's traffic bulletin showing condition of state roads for the week of December 23-29. Fifteen car loads of crushed stone are being applied on the surface of the fill and it is being put in condition to withstand all traffic regardless of continuous rainfall.

The bulletin shows two miles of new road now open on No. 42 east of Laporte; three miles of new pavement open southeast of Columbus on No. 26, and 7 miles of pavement open on No. 1 north of Crothersville. Standard signs route the public around detours when leaving pavement.

Flood waters have receded off places on state roads in southern Indiana where a few detours were established a few days ago, and traffic is proceeding uninterruptedly. Road conditions are set forth in the bulletin as follows:

No. 1—Construction from Carmel to Lakeville with sections of new pavement between open to traffic.

REAL PEACE—Wisdom's ways
are ways of pleasantness, and all her
paths are peace.—Proverbs 3:17.

A Time For Being Happy

Christmas is a time for being happy.

The majority of the people of Rush
county ought to achieve that state.

They have plenty of causes for
rejoicing. The chronic complainer
may find many things not to his
taste, but this is no reason for turn-
ing the black side out.

Let us turn our thoughts rather to
"Peace on earth to me of good will."

There is a wealth of food for
thinking in that. In other words,
peace on earth does not come to men
who are not of good will.

Men who are seeking evil will find
evil. They must look for good, else
they will never see it. They have to
be friendly, or they will never have
friends.

Good will for others means stor-
ing up good will for yourself. That is
selfish, perhaps, but happiness is a
form of selfishness. He who would be
happy is thinking first of his own
contentment.

But the fine thing about happiness
and contentment is that it is contag-
ious. Others feel its effects and they
in turn, becoming happy, spread it
along the path of life.

Christmas is a time of all times
for spreading happiness. There is so
much of poverty and misery and dis-
ease in the world—even in our own
community—that none should let
such a chance as this go by.

Let there be nowhere a suffering
man, woman or child, poor or in dis-
tress, in home, hotel or hospital, in
health or sickness, to whom no word
of Christmas cheer or Christmas
thought has been brought.

Christmas touches the deepest
chord of human sympathy; hearts
are mellow; thoughts are tender. He
who does not make the most of it is a
derelict.

A Word of Caution

There has never been a serious
accident or fire in Rush county dur-
ing the holiday season that could be
graced to the Christmas tree.

Yet a word of caution is not amiss.
Christmas and its joys should not

be allowed to blind men to its dan-
gers.

Parents that ordinarily are most
solicitous for the welfare of their
loved ones, place in the center of
their homes, where it is certain to be
the center of attraction for children,
the most inflammable thing that ever
enters it—the ordinary evergreen
Christmas tree.

While it dries in the warm rooms,
they fasten on it with tissue paper,
cotton to represent snow and orna-
ments of tinsel, and then fasten on it
lighted candles or electric light bulbs
thus setting the stage for a hazard
that is as great as an open keg of
gunpowder.

This is done in every home with
children. Because there has never
been any catastrophe is no assur-
ance there never will be. Precaution
should be the guide of every parent
that has such a condition in their
home.

Electric bulbs are not so danger-
ous as lighted candles. Asbestos can
be used in place of cotton or immi-
tation snow. Non-combustible decora-
tions are available. Being safe is
far better than being sorry.

THE CHRISTMAS SEAL

BY WALTER GREENOUGH

Ho, Little Seal, with your message of hope,
Plung to a world as a life-saver's rope,
Seek you the palace and seek you the shed—
Soft little pillow for Suffering's head!
Ho, Little Seal, with your message of cheer,
Building up courage and casting out fear,
Shed you God's sunlight in castle and cave—
Bright little beacon of lives that you save!
Ho, Little Seal, with your message to men,
Lifting them back to life's highroad again,
Keep you the air of God's heaven above
Flowing in gently to heal them we love!

FIFTEEN YEARS
AGO TODAY

From The Daily Republican
Wednesday, Dec. 23, 1908

It is a little short of miraculous
that Mrs. Walter Newsum of Car-
thage was not killed in a runaway
accident this morning. She sus-
tained injuries of a most painful and
serious nature, but fortunately they
will not prove fatal. Mrs. Newsum
was enroute from her home to visit
her father, George Ewing of Far-
mers, when the fractious horse she
was driving began to kick. On ac-
count of having a storm front on
the buggy she was unable to handle
the animal and in another minute
she lost control of the lines and the
horse dashed down the road at
breakneck speed. The plucky woman
held on the lines and was literally
jerked through the glass of the
storm front and dragged for over a
half mile. She suffered severe
bruises but no broken bones.

ty clerk, will form a law partner-
ship with his brother-in-law, Gates

the Miller building.

Miss Mary Shauck, daughter of
Prof. J. L. Shauck of Arlington, and

were quietly married at the home of
the bride yesterday evening at eight
o'clock.

Two of Rushville's most prominent
young people were united in mar-
riage last evening when Miss Flossie
Newkirk, daughter of Mr. and Mrs.
William Newkirk, and Will Winslip,
the son of Mr. and Mrs. Morris Win-
ship, became man and wife. The
ceremony was marked by simplicity
and was performed by an old school
mate of the groom, Rev. Walter
Frazee.

Castles in the Air

A Rushville public schools teacher
gave her pupils a chance to build a
few castles in the air the other day.
She told them to write a letter to
Santa Claus (they were big enough
to know better) and tell him what
they would like to have.

One boy was not a bit modest about
his wants, for here's how he listed
his desires:

A summer home in the Adiron-
dacks, a winter home in Palm Beach,
Florida; a Packard sedan; a gold
and platinum watch set with dia-
monds and his initials on the back;
nothing to do but play, and a few
other things that Santa Claus never
did intend small boys should have.

The First Railroad Agent

The other day Ben Caldwell, who
has been preparing to make some re-
pairs on the roof of the court house
clock tower, came into the county
auditor's office and asked the com-
missioners to come in the tower and
take a look at the roof. It didn't
sound good to any of them and they
invited Phil Wilk, the county auditor
to go up.

"But why should Phil go up?"
someone asked.

"Because he was one of the con-
tractors who built the court house,"
was the reply, and it was discovered
that few knew that he had a hand
in the construction of the building,
about thirty years ago.

Mr. Wilk was asked how he hap-
pened to come to Rushville and the
fact was developed that Mr. Wilk
was the first railroad agent here. He
happened to be working, as book-
keeper, for the man who had the con-
tract to build the old V. G. R. & I.
railroad (now the Big Four) and
when it was completed, they began
looking around for an agent and Mr.
Wilk filled the bill. He had previously
been a telegrapher and was qualified
for the job.

The first railway station in Rush-
ville was a box car, until a more
suitable structure could be complet-
ed. Incidentally, Mr. Wilk counted all
of the ties that were put in the first
railroad, as a part of his duties as
book keeper for the contractor.

That was one of the reasons Mr.
Wilk happened to become a highway
contractor, from which business he
retired a few years ago.

Oh, well things have gotta change, I s'pose. But I don't know

LIONS TRIUMPH IN LOCAL ARENA

Rushville More Than Doubles Score
in Return Game With Milroy
Here Friday Night

MILROY GIRLS IN VICTORY

Locals Wear Down Visitors in Last
Half After Finishing 8 Points to
Good First Round

The Rushville high school triumphed over Milroy here Friday night, and more than doubled the score on the visiting team, leaving them trailing behind when the game ended 48 to 23.

In the curtain raiser the Milroy girls outplayed the Rushville girls, 14 to 8.

The Lions were in good form and fought hard, wearing down the visitors in the last half, who were unable to withstand the attack, although they never gave up fighting, and were game losers. The first half saw Rushville in front 21 to 13, which was the reverse of the score between the teams a few weeks ago, when Milroy was leading 18 to 7 at the end of the first period.

In the last half several substitutions were made by the Lions, and all ten players were given a chance. In the last five minutes the substitutes started a rally that added five field goals.

Milroy scored first when Kinnett scored from the field and when McCorkle fouled Comella, the Rushville player made good one of the two chances. Readmond tossed in a foul committed by Snoddy that gave Milroy 3 and Rushville 1. Snoddy soon evened the score with a goal from under the basket.

Kinnett missed a chance to score on Walker's foul, and soon Hilligoss grabbed a goal from under the basket, putting Rushville in front 5 to 3. Selby got injured, and Milroy called time. Milroy came back and tied the score at 5 when Readmond scored.

Seright missed a foul committed by McNamara. Readmond broke the tie for Milroy, by landing a goal through the net from the center, but McNamara soon tied it again at seven points.

Milroy was off on foul shots, and at this turn missed four opportunities, with Selby missing twice on Walker's foul and Kinnett missed a couple on McNamara's foul. Soon Snoddy fouled and Readmond made another point, making the score 8 to 7. Snoddy fouled again for his third personal, and Readmond missed the chance.

Rushville went into the lead 9 to 8 when Hilligoss scored, and he soon repeated, making the count 11 to 8 in favor of the Lions. Seright for Milroy caged two goals in quick succession that again put his team in front 12 to 11, and the game was on the verge of being a see-saw affair.

Newbold had replaced Walker at center for Rushville, and he located the basket for two points, that made the Lions one point ahead, 13 to 12. Anderson missed a chance to even it up on Newbold's foul, and then Hilligoss missed a couple of fouls on Anderson.

Hilligoss made the score 15 to 12 on a goal, and soon a double foul was called on McNamara and Readmond, and the Milroy player made his point count, giving the visitors 13, and before the half ended McNamara scored, followed by Hilligoss and another one by McNamara, that boosted the score to 21, and with Milroy trailing at 13.

A few minutes before the half ended, Snoddy fouled on his fourth personal, and went out of the game, after having played in good style. Milroy missed the chance to score.

The Lions in the last half started out fast, but Kinnett dropped in the first for the visitors, but when Walker and Hilligoss scored in rapid time for the Lions, the count was shoved up to 25 to 15. Goals by Hilligoss, and a long one by Comella had the score to 29, with Milroy at 15. Kinnett scored on Comella's foul for 16 points and Kinnett missed on Walker's foul, but Seright scored for the visitors on a field goal, making the score 29 to 18.

Comella scored two more field goals for the Lions, one from the side, and the other he dribbled through for under the basket, boosting the score to 33 to 18.

McNamara and Walker scored next on goals, and then each team threw in a foul, making the score 38 to 19. Kinnett grabbed the ball under the basket for two points, and Walker missed on McCorkle's foul.

HITTIN' 'EM AND MISSIN' 'EM

Now that Milroy is off our mind we will take a two weeks rest—that is, the team will take the rest.

The Lions played good ball, but are capable of doing better. Milroy has a scrappy team, but their defense was hopeless.

Hilligoss and Comella can usually be depended upon in any game that they play, and Hittin' 'em wouldn't swap these two players for any three in the county.

The Lions have some understudies in Lakin, Warth, and Miller, which should be developed, as evidenced by the showing made last night. We wouldn't be afraid to venture that these players will get to play, most of the game against Knightstown, in order to save the regulars for the Columbus game on the night following.

That next game will be January 4, and then Columbus January 5.

Speaking of Columbus, Bedford sure handed them a walloping last night, 49 to 20, and we sorta got an idea that the Lions will turn the trick there.

Arlington swamped Center last night, 54 to 14, and Jimmie's team will next tackle Milroy at Arlington January 4.

Down at New Salem, Orange was their victim last night 23 to 14.

New Salem has a girl's team, all decked out in new green jerseys, and just for spite they put the skids under the Orange girls 40 to 14. We don't believe that the Lions' would have any business playing those New Salem girls.

The Lioness' couldn't stand the pace with the Milroy girls last night.

Rushville substituted with Lakin, Warth, and Miller taking places of Newbold, Walker and McNamara. Lakin made the score read 40 on a goal, and Warth, Lakin and Warth scored in rapid succession for goals, that made the count 46 to 21. Selby for the visitors scored a ringer, making the score 23 for them, and Miller for the locals, made the last goal, that finished the game 48 to 23.

The game ended a 40 minute period of fast playing, and two officials had their hands full in following the ball. Milroy has a good working combination, but they were not tight on their defense. The Rushville team showed considerable improvement over the game of several weeks ago, and their strength was probably underestimated by the visiting team.

The line-up and summary:

Snoddy F Kinnett
Hilligoss F Seright
Walker C Selby
McNamara G Readmond
Comella G McCorkle

Substitutions, Milroy, Root, Anderson, Rushville, Miller, Warth, Lakin, Newbold, Sherman. Field goals, Snoddy, Miller, Hilligoss 7, Warth 2, Walker 2, Newbold, Lakin, 2, McNamara 4, Comella 3, Kinnett 3, Seright 3, Selby 2, Readmond. Foul goals, McNamara, Comella, Kinnett, Seright, Readmond 3. Referee Morrison, umpire Gill.

Two Curtain Raisers.
Two preliminaries were on the schedule last night. The first game being played by the Christian church team and the Methodist team, and which ended in a 16 to 14 victory for the Christian church.

The Milroy girls outclassed the Rushville girls, 14 to 8, although the two teams were evenly matched in the first half, 6 to 5 in favor of Milroy.

The teams line-up as follows:
M. H. S. Girls 14 R. H. S. Girls 8
Houglund F Moore
Downs F Burns
Root C Hunt
Booth G Sumpter
Whittinger G McKinnin
Substitutions, Kitchner for Houglund, Houglund for Root, Price for Burns. Field goals, Houglund 2, Downs 2, Kitchner, Moore 2, Burns.

and those Red Soxers from Anderson township were too much.

Kinnett and Selby are a fast pair on the Milroy team, and with McCorkle at back guard they have a good foundation for a winning team before the season ends, and they will make someone take notice about tourney time.

The Cows got back in the winning column last night, by defeating Morristown 27 to 19. Moscow will bear watching.

Gee, Shelbyville sure knocked the Ft. Wayne team for a big score, when they landed all over them last night on the floor in the northern part of the state.

The Sir Walters didn't have much trouble in putting down the Wayne county team from Cambridge City, 29 to 20. It was the second victory this season for Raleigh over the Cambridge tossers.

Baker, forward on Em Headlee's Manila team, was the tower of strength last night, against Carthage, and made 15 points for his team, and Manila won, 32 to 23.

The other night Seales from Raleigh, the coach of the Sir Walters, established a record in the independent game between the Coaches and Fairview, when he threw 16 straight fouls, and missed his last two chances out of the 18.

The Hkniks won a top heavy victory over Liberty last night, but no one ever disputed but what they would do so.

NO BUYERS NOW
Vincennes' stock took another tumble last night when their market was cornered by Martinsville, 44 to 30. Better sell out, Georgie.

That wooden horse that the Trojans were going to push in on Muncie last night, must have had greased wheels, and forgot to stop. Muncie walloped Newcastle, 38 to 22.

CARTHAGENIANS ARE VANQUISHED HANDILY

Taken by Storm by Manilla Friday
Night on Their Own Floor And
Fall Back

CASUALTIES ARE 32 TO 23

Manilla took Carthage by storm Friday night at Carthage, when the Green and White aggregation of Em Headlee's scored a 32 to 23 victory over the Blue Birds, in a fast game featured by the work of Baker, Manilla's forward, who couldn't be stopped.

This forward caged 7 field goals and a foul, or 15 points for his team. Manilla started off fast, and at no time were they in danger, and the first half ended 21 to 13.

Manilla gained a strong margin of 16 to 7, before the home team could sight the basket, and Carthage used many substitutes throughout the game in an effort to check the advance of the visitors. Heim, a sub, showed well for the Blue Birds. Manilla made good on many long shots.

In the curtain raiser the Manilla second team won from the Carthage seconds in a close game, 7 to 6.

TURN IN DOUBLE VICTORY

Both New Salem Teams on Long End
of Scores Friday Night

New Salem high school checked up a double victory over Orange Friday night, at Orange, when the boys won their game 23 to 14, and the girls from Salem won their game 40 to 14.

The New Salem teams could not be headed, or stopped and they plowed through for goal after goal.

The girls game was a good exhibition of basket shooting for the winners, as they landed the ball through the net from all angles, and it seemed as if they could not miss the basket.

ARLINGTON TAKES EASY ONE

High School Defeats Center Friday
Night, 54 to 14

The Arlington high school did not have much trouble Friday night in taking Center into camp, and came out winners on the Arlington floor, 54 to 14. The first half ended 28 to 6.

The Arlington team made their points as follows: F. Readle, 7, J. Readle 6, Price, 7, Woods 1, Kemple, 3, Sunman 1, and for Center Davis made 4 goals, Land 2 and Demmitt 1. J. Readle for Arlington made 3 foul goals, and Price one. Arlington will next take on Milroy January 4 at Arlington.

Baseball Had Good Money Year

By HENRY L. FARRELL
(United Press Sports Editor)
New York, Dec. 22—Arrival of the predicted and patiently awaited "million dollar" world's series was, without doubt, the big event of 1923 in baseball.

Records for attendance and receipts at the post-season battles between the major league pennant winners were made possible by the opening of the two-million dollar Yankee stadium, another event of record for the year.

With a capacity of 70,000 and a plan of construction which will permit its extension so that it will accommodate 100,000 when the need requires, the Yankee Stadium is the finest baseball structure in the world.

Another victory by the New York Giants and the Yankees in the pennant races and their subsequent participation in the world's series removed novel features for the season although the two teams made a new record by staging the series between themselves for the third successive time.

Considering that the Giants were almost unanimously picked to beat the Yankees in the series, the feat of the American League champions in winning the world's championship might have been a surprise. The success of the Yankees also made a new record in that it was the first time that the world's championship had been won by a New York American League team.

Many new minor records were made on the playing field during the minor and major league seasons, but

WILL NOT HOLD 'LOVE FEAST'

Democrats Decide To Do Away With
Jackson Day Dinner

By LAWRENCE MARTIN
(U. P. Staff Correspondent)

Washington, Dec. 22—The meeting of democracy's leaders here in January will not be preceded by the usual democratic "love feast"—the Jackson day dinner.

The dinner has been given up this year largely because the idea of holding the usual "get-together" good will banquet seems to make no appeal to democrats. There was no enthusiasm for it and a good many arguments were advanced against it, hence it was abandoned.

At the meeting of the executive board of the Indiana Federation of Women's Clubs, held Thursday at the Claypool hotel, Indianapolis, Ind., it was decided to hold the annual convention of the organization October 27-29, 1924, at the Claypool Hotel, Indianapolis. HASTY TRIAL IS NEARING THE END

Continued From Page One
roost, and which brought about the arrest of the four men, the defendant attempted to establish an alibi, and said that he was in Knightstown on that night.

He told about taking his family to Carthage first, and that Johnson, Walter and Fred Hasty got into the machine and drove to Knightstown. Johnson previously testified for the state that the quartet motored to the Reddick farm and stole 44 chickens.

Hasty stated that on this night they arrived in Knightstown at 7:10 o'clock, and remained until twenty-five minutes until 10 o'clock. He said that he spent his time in a pool room, and he named over the persons whom he knew and saw that night, in order to establish his alibi.

He mentioned Clyde Moffitt, Cliff Addison, Charley Collins and Dora Brown. Addison, he said, has moved from Knightstown and could not be located as a witness, he said. Collins was sick at home, he said, and couldn't testify. Another witness, whom he mentioned he saw that night, had been subpoenaed, but had failed to show up.

He said that they left Knightstown and arrived in Carthage a few minutes later that night, when they left each other and got with their families, and that he returned to his home, and was ready for bed at twenty minutes until 11 that night.

He next stated that a search of his premises was made on the following

morning, and that the men were looking for chickens. The persons failed to find any white chickens that were marked with a hole punched in the web of their feet, he said, but he was arrested and placed in jail here about noon.

Johnson had testified that Hasty had approached him last spring, telling him that he didn't see how he lived and supported his family on \$1.25 a day, and that he knew a way that he could make some easy money, which he said resulted in the chicken stealing business.

Hasty denied this and said that he had approached his son-in-law, when he told him that he was getting ready to buy a second hand automobile on payments, and that he told Johnson that he didn't see how he expected to get by, and keep his family and keep up the payments on \$1.25 a day.

Hasty said that Johnson told him that he didn't expect to and that the

"public was going to help him pay for his automobile."

The defendant also denied that there had ever been a division of money from the sale of chickens, as outlined in the testimony of his daughter, who appeared Thursday against him on the stand and who had said that she had sold chickens that were stolen, and distributed the money.

On cross examination late yesterday the state asked Mr. Hasty about his own automobile that he purchased on payments, and which Hasty said he had made a small payment down, and gave a note for the balance of \$450.

This balance on the note, Hasty admitted, was paid, together with the interest, four days prior to the date that it was due, and that it was all paid in one sum, in June.

When questioned by the state concerning this \$450 and interest, the prosecutor asked how it was that he could save up that sum of money within a few months time, and working for \$1.25 a day.

The defendant replied that his house had burned down and that he received the money from the insurance company for his household goods. He denied that the best of his household goods had been removed to his daughter's home on the day before the fire, and he also denied that the best of the goods were removed before the fire reached them.

School here will be dismissed all next week for Christmas vacation. The mid-year examinations will be held the week following the Christmas holidays.

The different classes are reviewing for the examinations. There will be no exemptions.

Most of the teachers are going away Christmas week to spend Christmas with friends or relatives. Harry Wills, a senior, was absent from school Friday on account of the death of his nephew.

Angus Leforge was absent from school on Monday on account of sickness.

On Friday night, December 14, the three New Salem teams succeeded in defeating the three opposing teams. This was the first time all three teams had played the same night. There was a very good crowd here.

The first team played the Center first team and defeated them 24 to 6. This was not a hard game on New Salem's part.

The girls' team played the Center girls' team, defeating them 32 to 10. At the end of the first half the score was 20 to 0 in favor of New Salem. The New Salem girls probably had the best luck hitting goals they have had this year.

The most interesting and most exciting game of the evening was played between the New Salem seconds and the Gings first team 10 to 7. Last Wednesday night the girls of old N. S. H. S. initiated their new suits when they played Fairview. Their middies of green were well dyed with first blood of the enemy at the end of the game, which is contrary to the jinx that is supposed to exist on new suits.

This was the girls' sixth game of the season and incidentally the fourth victory. Vonda Emsweller, Grace Trager and Mary Lois Bever helped to bring down the points for Salem, Alice King and Deloris Miller, our centers, put the needed pep in the game and helped the scoring machine to work smoothly. Even though we had good forwards, the guards were not found wanting and Davis King, Dorothy Scott and Thelma Williams held F. H. S. to a 12 point score, the final score being 30 to 12. If there is a girl's tourney this year we'd say clear the track for New Salem's coming. The girls have their Irish aroused over "The Wearing of the Green," so look out for the "New Salem Shamrocks."

GINGS SCHOOL

(RUTH BILLINGS, Editor)

GINGS VS NEW SALEM

Ging lost a closely contested game to the New Salem Seconds Friday night on the latter's floor. It was the most interesting of a series of three games; Center boys and girls also played Salem. The final score was 10-7. At the half Gings had a lead of 4 points, the score being 6-2. However, we were unable to drop the ball through in the second half from either the field or foul line. Custer was the high point getter for Gings, caging six of our seven points. Felts and Gordon played a good game at guard, letting the New Salem forwards through for only 4 points. George, New Salem's floor guard, made 5 out of his team's 7 points.

Ging New Salem
Custer -----F----- Scott
Eckart -----F----- Wilson
Cortner -----C----- Spear
Felts -----G----- Stears
Gordon -----G----- George
Referee—A. Jinks.
Time Keeper—Stamm.

GING VS LAUREL

The Gings basketball teams played in the usual form, dividing the honors with Laurel on their floor. In the first game, the 7th and 8th grade team defeated the Laurel grades in an interesting and closely contested game by a score of 16-10. The half ended with Gings in the lead 10-6. R. McCulloch was the star player on the Gings team, making half his team points. Pratt and Nowlin each caged two from the field. Bergdofer scored all of Laurel's points. In the second game, Laurel H. S. defeated Gings H. S. 74-7. Gings put up a desperate effort and fought stubbornly to the end, but were unable to stop the Laurel scoring machine. Custer was the star of the Gings team, breaking up many plays, carrying the ball down the floor on long dribbles, and accurately passing. However, he was unable to make many of his efforts for a goal count. He threw 3 field goals out of several efforts.

Oglesby and Petty were high point getters for Laurel, each caging 14 and 15 goals respectively.

Line up:

Ging Laurel
Eckart -----F----- Oglesby
Custer -----F----- Shera
Cortner -----C----- Petty
Felts -----G----- Best
Gordon -----G----- Graham
Myer for Gordon, Gordon for Myer, Ward for Petty, and Kelly for Best.

MUTTS AND JEFFS

The Jeffs came out on top in the recent campaign for "The Country Gentleman." The Jeffs obtained thirty subscriptions and the Muts twenty. This means twenty-five dollars for the school and we are glad that we have tried and done our very best toward helping G. H. S.

LATIN CLUB

The Freshmen, Sophomores, and Junior Latin classes met Wednesday and organized a Latin club. The name will be "Inter Nov" and the club colors are lavender and white. The officers elected were Arthur Cortner, a Junior, for president; Naomi Nash, sophomore, secretary, and Mildred McMillin, freshman, treasurer. The club met Friday and each one presented to the secretary, his Latin name and a motto was chosen. Each answered roll call with a Latin Xmas quotation and the club sang songs and recited verses and held Latin contests.

SATURDAY, DECEMBER 15

All except two High school pupils went to Indianapolis. Spent several hours in museum. Saw tools used in mound-building, relics from excavations, first thrashing machine and all kinds of mounted animals. Saw Indiana State Banner designed by Hadley. It was adopted by Seventieth Assembly of 1917.

TUESDAY, DECEMBER 18

Our flag dedicated today. We know Americans are most fortunate people in the world. No other people have a government more worthy of their respect and love; or a land so magnificent to look upon and so full of generous suggestions to enterprise and labor. Our flag has been dedicated with noble purpose in view and our school children have taken the oath of allegiance to dedicate their lives to live for the glory and honor of our own grand and glorious commonwealth. Dr. Houghland of Milroy gave an excellent talk Tuesday afternoon. Rev. Huley's lecture at 7:30 p. m. much appreciated by all. Xmas trees arrive at school house.

WEDNESDAY, DECEMBER 19

Children practice for Xmas Entertainment. Xmas trees being decorated. Boys practice basketball at Manilla.

THURSDAY, DECEMBER 20

Children practice for entertainments. Mr. Arend goes to Rushville.

FRIDAY, DECEMBER 21

Dec. 21 is shortest day in year but day before Xmas is longest day to boys and girls. Homer school is on Educational map. Teachers and pupils all working and patrons all helping. When school closes, we teachers and pupils alike intend to know more, be more and live more than

when school began. At this time we are full to over-flowing of spirit of the season.

Xmas spirit, Xmas cheer
May all keep and live it
Throughout the year.

Homer school wishes, not only it's friends, but everyone, a Merry Xmas and a Happy New Year!

CENTER SCHOOL

The Christmas program is to be given at the church Friday afternoon. Examinations will be given after the Xmas vacation.

The basketball teams practiced in the Raleigh gym Wednesday after school. The Center teams were defeated by the New Salem teams last Friday night, but they were hoping for better luck in their game with Arlington Dec. 21.

Much interest is being taken in volley ball at the present time.

Pies and candy made by the home economics class have made the members of that class quite popular.

A study of the great trust problems of today is being made by the class in American Problems.

Floyd Kirkham visited school Wednesday.

School closed Friday for a week's vacation.

MANILLA

On account of weather conditions the Farmer's Institute which was held here last Friday and Saturday was rather poorly attended but we are sure the people who did attend were very much pleased with the entire program. The prizes that were put up by the merchants of Manilla were distributed to their customers at the school auditorium Saturday night. They received many valuable presents.

B. D. Farthing, county superintendent, visited school last Wednesday. He attended some of the classes and made several comments to the teachers.

The members of the Junior class of the high school are working on a program that they will present to the school Friday evening.

The alumni of M. I. S. will hold their annual banquet in the school gymnasium Saturday night. They are planning on quite a feed.

Who said we couldn't change Moscow's basketball record. I guess we did. Because of some misunderstandings we were forced to play them on their floor at Blue Ridge. Although they put up a good fight the old green and white bunch had but little trouble in defeating them. We were never headed throughout the game and it ended with our team leading by four points.

CARTHAGE SCHOOL

(BABETTE HENLEY, Editor)

The senior class spent an evening of fun at a party at the home of Marjorie Henley Tuesday night. Musical programs from all over the country were heard from the radio. Light refreshments, in keeping with basketball training rules, were served.

The C. H. S. basketball team suffered a nine point defeat from Knightstown last Friday night. They were decidedly off form, and the broken nose of Captain Kennedy proved quite a hindrance to his

usual good playing. The half ended 21 to 12 and the final score was 36-27. A crowd of two hundred fifty Carthage fans accompanied the team and appreciated very highly the section that was reserved for them in the K. H. S. gym, it being the first time this season that any high school had extended such a courtesy.

Marjorie Henley resumed the duties of the president of the C. H. S. A. A. Friday when Gilbert Glover, former president, was automatically recalled. At the meeting Malcolm Small, chairman of the auditing committee read the financial standing of the association which showed a balance on hand of \$73.78.

Candy is now on sale at the school building and basketball games by the Junior class, which is successfully filling the great demand for it.

Fern Theobald, a sophomore, in C. H. S. is absent from school with an attack of the mumps.

Miss Ada Chappell, teacher of the first grade, who is suffering from an attack of appendicitis is not expected to return to duty until after the holidays.

Birney D. Farthing, county superintendent, visited the Carthage schools Tuesday afternoon.

Ethelene Weaver entertained the sophomore class with a party at her home Thursday night. Refreshments were served by the hostess and a good time was reported by all in attendance. The Misses Elliott and Hinchshaw chaperoned.

A delightful Christmas party was held at the home of John Parker for the seventh grade on Wednesday night. The evening was spent in games and Christmas gifts were distributed. Miss Fort and Miss Elliott acted as chaperones.

The Commercial Law class spent Thursday at the trial in Rushville. The trip proved very beneficial and extremely interesting. They were quite disappointed to learn that they could not return to see it completed.

A very satisfactory profit was realized from the Christmas Sale held recently by the Junior High art classes at Simm's Store.

A Christmas party for the first six grades will be held Friday afternoon at the Auditorium. A similar one will take place in the old building for the Junior and Senior High Schools. Numbers were drawn recently and each pupil gives and receives a present. A treat will be distributed by the members of the faculty. Each class will assist in the program by giving a stunt.

The grades have been assisting in making decorations for both the community and school Christmas trees. The two domestic science classes are helping by popping and stringing pop corn.

Schools of Carthage were dismissed Friday for the holidays. All pupils are requested to report for duty December 31. The teachers will all spend their vacation elsewhere.
